Hello Mr. Nutting,

Let me see if I can help you.

- 1) CALFIRE makes the determination regarding grant funding, in terms of the individual landowner meeting the program parameters and CALFIRE Unit funding allocations.
- 2) The individual RCDs that make up the membership of the SCRMC do not receive any funding from SCRMC unless they are performing a service under the budget of the Prop 40 Agreement between CALFIRE and SCRMC, such as putting on public workshops to inform the public of the program. Mark Egbert has put on workshops to inform the public of the Prop 40 program and been paid under the terms of the SCRMC Agreement with CALFIRE. This was done under an Memorandum of Understanding between the PCRCD and EI D RCD.
- 3) The PCRCD is working under a Memorandum of Understanding with SCRMC to provide administration of the Prop 40 program.
- 4) The PCRCD does not have any financial relationship with the County of El Dorado. Other than, the public workshops mentioned above, there is not a standing financial relationship with EI D or GD RCDs.
- 5) In terms of the Prop 40 program administration, the PCRCD contracts with the landowner, once CALFIRE has determined the project meets the program specs in terms of work being proposed and provides the SCRMC with a recommendation to proceed. The PCRCD disburses reimbursement funds once CALFIRE has inspected the work done, all the paperwork is in order, and has given SCRMC the recommendation to pay to landowner.

This pretty much sums it up, please let me know if I can be of further assistance.

Regards,

Katie Maloney
